

## This Time Tomorrow (I'll Be Gone)

Waylon Jennings

Girls have been a weakness all of my life  
But I made a big mistake and I took one for a wife  
I've thought that she was different I could settle down  
But she won't and I didn't by now I'm leavin' town.

This time tomorrow I'll be gone.  
This time tomorrow I'll be gone.

I'll be a datin' those southern belles there'll be no days of b  
lue  
All the queens in New Orleans I'll get around with you  
When sun went down I'll come back up I'll be countin' every hou  
r  
Till I'm back headin' south for sweet sweet magnolia flowers.

This time tomorrow I'll be gone.  
This time tomorrow I'll be gone.  
This time tomorrow I'll be gone.  
This time tomorrow I'll be gone...
