## This Time Tomorrow (I'll Be Gone)

## **Waylon Jennings**

```
Girls have been a weakness all of my life
But I made a big mistake and I took one for a wife
I've thought that she was different I could settle down
But she won't and I didn't by now I'm leavin' town.

This time tomorrow I'll be gone.
This time tomorrow I'll be gone.

I'll be a datin' those southern belles there'll be no days of b
lue
All the queens in New Orleans I'll get around with you
When sun went down I'll come back up I'll be countin' every hou
r
Till I'm back headin' south for sweet sweet magnolia flowers.

This time tomorrow I'll be gone.
```
