

## Till I Gain Control Again

Waylon Jennings

Just like the sun over the mountain top  
You know I'll always come again  
You know I love to spend my morning time  
Like sunlight dancing on your skin.

And I have never gone so long just for telling lies to you  
What you've seen is what I've been  
There is nothing that I can hide a few  
You see me better than I can.

Out on the road that lies before me now  
There are some turns where I will spin  
I only hope that you will hold me now  
Till I gain control again.

Just like a lighthouse you must stand alone  
And mark the sailor's journey's end  
And no matter what sea that I've been sailing on  
I'll always roll this way again.

Out on the road that lies before me now  
There are some turns where I will spin  
I only hope that you will hold me now  
Till I gain control again...
