## **Tonight the Bottle Let Me Down**

## **Waylon Jennings**

Each night I leave the barroom when it's over not feeling any p ain at closin' time
But tonight your mem'ry found me much too sober

I couldn't drink enough to get you off my mind

Tonight the bottle let me down let your memory come around

The one true friend that I thought I'd found tonight the bottle

let me down

I've always had a bottle I could turn to lately I've been turni ng every day
But the booze don't take effect the way it used to
I keep a hurtin' in an old familiar way
Tonight the bottle let me down

Tonight the bottle let me down
