

## Will the Wolf Survive?

Waylon Jennings

Through the chill of winter  
Running across a frozen lake  
Hunters hard right on his trail  
All odds are against him  
With a family to provide for  
But one thing he must keep alive  
Will the wolf survive?  
Will the wolf survive?

Drifting by the roadside  
Climbs a strong and aging face  
Wants to make some honest pay  
Losing to the rainstorm  
He's got two strong legs to guide him  
Two strong arms keep him alive  
Will the wolf survive?

Standing in the pouring rain  
All alone in a world that's changed  
Running scared now forced to hide  
In a land where he once stood with pride  
But he'll find his way by the morning light

Sounds across the nation  
Coming from your hearts and minds  
Battered drums and old guitar  
Singing songs of passion  
It's the truth that they all look for  
Something they must keep alive  
Will the wolf survive?  
Will the wolf survive?  
Will the wolf survive?
