

# You Deserve the Stars in My Crown

Waylon Jennings

You're the one who took the time  
Looked for a reason to believe  
Five hundred pounds of ...  
Which shines on the better side of me

More than anyone  
You're a part of all I say and do  
When it's all said and done  
When they remember me, they'll think of you

You always believed  
That's what brought me up when I was down  
And I do believe  
You deserve the stars in my crown

You always believed  
That's what brought me up when I was down  
And I do believe  
You deserve the stars in my crown

And I do believe  
You deserve the stars in my crown
