

# You've Got to Hide Your Love Away

Waylon Jennings

Here I stand hand in hand  
Turning my face to the wall  
If she's gone I can't go on  
With no love at all.

Everywhere people stare  
Each and every day  
I can see them laugh at me  
I can hear them say.

You've got to hide your love away.  
You've got to hide your love away.

How can I even try, I can never win  
Hearin' them, seein' them in the state I'm in  
How could she say to me love will find a way  
Gather round all you clowns let me hear you say.

You've got to hide your love away.  
You've got to hide your love away...
