

Yoyos, Bozos, Bimbos and Heroes

Waylon Jennings

In a world full of sadness and laughter
Where we live for the now and hereafter
We're all friends and strangers wondering which way to go
Leaning on yoyos,bozos and bimbos and heroes.

We got all kinds of singers and preachers
Crawlers and two-legged creatures
Selling us sermons,and songs made for the soul
Some of 'em yoyos,bozos and bimbos and heroes.

Reigning like fine politicians
Dressed up in perfect disguise
Pushing their science and fiction
Mixing the truth with the lies.

So why we're all busy looking for answers
There's one thing we all need to know
The difference between yoyos,
Bozos and bimbos and heroes.

Reigning like fine politicians
Dressed up in perfect disguise
Pushing their science and fiction
Mixing the truth with the lies.

The difference between yoyos,
Bozos and bimbos and heroes...
