L-I-T-T-L-E-L-I-S-A!

Oh little Lisa, you done stole my heart
I miss your kisses, when we're apart
You know I want you, to be my own
Oh little Lisa, little gal from San Anton'

Her eyes are dreamy, she's cutie as she can be
Just say the word, I'm yours for good,
Your the one for me
Tell your daddy, you done found your man
So I can ask you for your lovin' hand
And then forever I'll share my home
With little Lisa, little gal from San Anton'

I miss your kisses, when we're apart
You know I want you, to be my own
Oh little Lisa, little gal from San Anton'
