Thunderstorms and Neon Signs

Wayne Hancock

- There's big black clouds blowin in from the west I've been drivin all day lord I sure could use some rest There's a motel up ahead where I can unwind Cause I sure love thunder storms and neon signs
- 2. I grew up on the road from town to town My daddy's line of work kept us movin around I got fond memories of the way things were back then The warmth of a neon when a cold storms movin in
- R: Listen to the opry in a small café When we stop to get a bite along the way Whenever I hear the wheels begin to wine It takes me back to another time
- 3. I got a real nice room with a radio and TV This here motel livin is the only life for me And it looks like it'll be rainin for quite some time And mixed with the lightening is the glow from a neon sign R:
