Friend Of A Wounded Heart

Wayne Watson

Smile, make 'em think you're happy Lie and say that things are fine And hide that empty longing that you feel Don't ever show it, just keep your heart concealed Why are the days so lonely? I wonder where, where can a heart go free And who will dry the tears that no one's seen? There must be someone to share your silent dreams Caught like a leaf in the wind Lookin' for a friend, where can you turn? Whisper the words of a prayer and you'll find Him there Arms open wide, love in His eyes Jesus, He meets you where you are Jesus, He heals your secret scars All the love you're longing for Is Jesus, the friend of a wounded heart Joy comes like the the morning And hope deepens as you grow And peace, beyond the reaches of your soul Comes blowing through you, for love has made you whole Once like a leaf in the wind Looking for a friend, where could you turn? You spoke the words of a prayer and you found Him there Arms open wide, love in His eyes Jesus, He meets you where you are Jesus, He heals your secret scars All the love you're longing for Is Jesus, the friend of a wounded heart He meets you where you are Jesus, He heals your secret scars All the love you're longing for, all the love that you need Is Jesus, the friend of a wounded heart The friend of a wounded heart
