

Somewhere In The World

Wayne Watson

Somewhere in the world today
A little girl will go out to play
All dressed up in mama's clothes
At least the way that I suppose it goes

Somewhere in the world tonight
Before she reaches to turn out the light
She'll be prayin' from a tender heart
A simple prayer that's a work of art

And I don't even know her name
But I'm prayin' for her just the same
That the Lord will write His name upon her heart

'Cause somewhere in the course of this life
A little boy will need a godly wife
So hold on to Jesus, baby wherever you are

Somewhere in the world out there
That little girl's learnin' how to care
She's pickin' up her mama's charms
Or maybe swingin' around in her daddy's arms

Somewhere in the world to be
Though the future's not really clear to me
Theirs could be a tender love
Grounded in eternal love above

And I don't even know her name
But I'm prayin' for her just the same
That the Lord will write His name upon her heart

'Cause somewhere in the course of this life
My little boy will need a godly wife
Oh, so hold on to Jesus, baby wherever you are
Oh, hold on to Jesus, baby wherever you are
