

# When God's People Pray

Wayne Watson

Trouble knockin' on your window pane stormy weather at your door  
And the outlook for the day ahead like the day before  
People tell you prayin' changes things, but the words don't stop the fear  
The prayer is only pious repelling without a Father's ear

He will not turn away when His people pray

When God's people pray  
And take the pains of earth to the doors of Heaven  
When God's people pray  
There is hope reborn, there is sin forgiven  
And merely 'cause you can't explain a way  
When God' people pray

Hopeless situation turns around, dilemma passes by and by  
Look, there's a never-ending field of blue past your clouded sky  
He alone can know the need in me before a single word begins  
The Holy Spirit intercedes for me, I will trust in Him

No, He will not turn away when His people pray

When God's people pray  
And take the pains of earth to the doors of heaven  
When God's people pray  
There is hope reborn, there is sin forgiven  
And merely 'cause you can't explain a way  
(When God's people pray)

When God's people pray  
There is hope reborn, there is sin forgiven  
And merely 'cause you cannot explain a way  
(When God's people pray)

When God's people pray  
Take the pains of earth to the doors of heaven  
When God's People pray  
(There is hope reborn)  
There is hope  
(Sin forgiven)

And merely 'cause you cannot explain a way  
No, no, no, no  
When God's people pray  
Take it home  
(When God's people pray)  
When God's people pray  
(There is hope reborn, sin forgiven)  
There is sin forgiven  
And merely 'cause you can't explain a way  
No, no

When God's people pray  
And take the pains of earth to the doors of heaven  
When God's people pray  
There is hope reborn, there is sin forgiven  
And merely 'cause you can't explain a way

When God's people pray  
Oh, When God's people pray  
When God's people pray
