

Anything Goes

Wayne Wonder

You gone too far now nigga!

They gone too far now Nore, they gone too far now Capone (Wicked!)

They gone too far now Wayne, they gone too far now Lexx

CNN (CNN) (What!)

(Yeah!)

Lexxus (Lexxus) Wayne Wonder (Wayne Wonder)

(Wayne Wonder what's up?!)

For the gangsters, for the gangsters

Anything goes when we ride (When we ride)

Even with my little shorty by my side

Gallang so nuh bag a noise (Nuh bag a noise)

Burn up I'll pop and hit them by surprise

You better not move, when I say freeze

Because we nuh fraid fi pop off and squeeze

Bout you a bawl, and beg man fi ease

And we nuh bomb pon a fool like bees

So you wanna take my life (Come on!) so you wanna hurt my wife

You just a wolf in disguise right a now you never seem surprised

(CNN we listenin!!!)

So you wanna take my life (Come on!) so you wanna hurt my wife

You just a wolf in disguise right a now you never seem surprised

So fuck you sound boy

Kill a snitch boy

Kill a batty boy

In the yard

Got to play it hard like we Gotti boy

CNN soldiers

We rep till it's over

We rep when we drunk

And we rep when we sober

(Oh!) Look at that fatty at ten

(Oh!) Lick a shot we back at it again

It's Millitainment move over gotta move on my own

We murder them a mercenary made man Capone (Wayne Wonder)

So you wanna take my life (Come on!) so you wanna hurt my wife

You just a wolf in disguise right a now you never seem surprised

(CNN we listenin!!!)

So you wanna take my life (Come on!) so you wanna hurt my wife

You just a wolf in disguise right a now you never seem surprised

Yuh waan fi bet mi money yuh fret and sweat like yuh a preacher

Any choice yuh set it's like a jet yuh haffi leave yah

Inna di party di bwoy dem start it like dem a creature

Mi and shorty rollin hotty wah dis we achieve yah

Mi haffi pop and buss it inna dem direction

Bwoy nah stop down like pop down erection

Car a crash, brain a splash, inna di intersection

Caught dem by surprise they never know mi have extension

So tell dem

So you wanna take my life (Come on!) so you wanna hurt my wife

You just a wolf in disguise right a now you never seem surprised

(CNN we listenin!!!)

So you wanna take my life (Come on!) so you wanna hurt my wife
You just a wolf in disguise right a now you never seem surprised

I need a hot girl
So I could drive in my hot car
I'm not a pop star
Take you to the Shark Bar
So we could feast love and just skip in
You see a nigga made a dollar out of just five cent
Now we ride through Tivoli
Slide through Kennedy
Usually we right in the club
That's where the women be
Laid back lightin some bud
Sippin on Hennessy
Everybody drink show love
That's where my nigga be, OH!

So you wanna take my life (Come on!) so you wanna hurt my wife
You just a wolf in disguise right a now you never seem surprised

(CNN we listenin!!!)

So you wanna take my life (Come on!) so you wanna hurt my wife
You just a wolf in disguise right a now you never seem surprised

It's been a long time comin, hear we are
Mr. Lex and Wayne Wonder who? superstar
CNN dem got we back, yo we and dem par
We nah leff it cause we ever have it inna we car
So wah bring it, sling it if you think you have this ting
But if not mek mi do my ting
Cause Lex got di whole world clingin to di style dat I bring
Nore and Capone rap and Wayne sing
Cha ching cha ching!!!!

So you wanna take my life (Come on!) so you wanna hurt my wife
You just a wolf in disguise right a now you never seem surprised

(CNN we listenin!!!)

So you wanna take my life (Come on!) so you wanna hurt my wife
You just a wolf in disguise right a now you never seem surprised
