

# I Still Believe

Wayne Wonder

I still believe that you love me baby  
I still believe that you care darling  
I still believe that you love me baby  
Ahhhh (forever my lady)

She would take her time and she would walk a mile  
And still I would ignore to even drop a line  
Now I would give the world to have you back as mine  
I took her for granted and lost it all na na na na

She step otta mi life u kno she never looked back  
Sen up the deh rude boy pressure gave me a heart attack  
I never did believe that she could really do that  
She run me like a dog and call me dirty brother  
So I get myself together got to clean up my act  
She really want dat she nuh want no yikidiyak  
Without a doubt she loves me and she cares

I know I done you wrong but, you and I belong  
I'm reaching out to you, just listen to my song  
Girl I apologize for treating you so cruel  
I took her for granted and lost it all

Baby be there for me, baby be there for me
