

Dumb Luck

We Are Scientists

It took you long enough to figure this out
It shoulda been hours ago
I wish you'd swallow all your lingering doubts
So I could say told you so

A little fun thing could be nice
Just one time is never enough
And if you want a piece of advice
I'm sorry but I'll tell you what
You can't always keep getting by
On dumb luck

If its so hard for you to say i was right
Then what are you gonna do?
It's a problem when its taking all night
For something to dawn on you

A little fun thing could be nice
Just one time is never enough
And if you want a piece of advice
I'm sorry but I'll tell you what
You can't always keep getting by
On dumb luck

A little fun thing could be nice
Just one time is never enough
And if you want a piece of advice
I'm sorry but I'll tell you what
You can't always keep getting by
On dumb luck

Dumb luck
