Jack & Ginger

We Are Scientists

Well it's about that time I probably ought to go No matter what I do It's way too late for self control

If you liked it I was hoping I would know If you liked it I was hoping I would know

Whoa oh oh oh Whoa oh oh oh Whoa oh oh oh

Well anything can happen Both our numbers on the napkins Drenched in coke and gin It's soaking in

On the floor, remember Thanks to all the jack and ginger Every pour has been Encouragin'

Well it's about that time Who knows what's going on I guess I should be used To reading signals in the dark

When the lights hit I was hoping I would know When the lights hit I was hoping I would know

That anything can happen Both our numbers on the napkins Drenched in coke and gin It's soaking in

On the floor, remember Thanks to all the jack and ginger Every pour has been Encouragin'

 Whoa
 oh
