Spoken For

We Are Scientists

Listen I may have given you the wrong impression This is Something that I really ought to mention Well I should tell you I've been spoken for Listen It's best that we avoid misapprehension This is Something that I'd never had intended Well I should tell you I've been spoken for Well I should tell you I've been spoken for As far as weakness goes This one's hard to beat I know, I know I should really feed this thing Wait and see As far as these things go I should never speak I know, I know I should really feed this thing Wait and see

Well I should tell you I've been spoken for
