

The Bomb Inside the Bomb

We Are Scientists

Blindin',
Flash of yellow,
Lying slightly
Below the skin.
Windin',
Like a halo,
In a spiral around your head.

It's like a bomb inside the bomb.
It's like a bomb inside the bomb.
It's like a bomb inside the bomb.

Layered,
Like an onion,
Always peeling
Back again.
Tiered,
Russian doll skin,
It's fuckin' deadly
Is what it is.

It's like a bomb inside the bomb.
It's like a bomb inside the bomb.
It's like a bomb inside the bomb.

It's like a bomb inside the bomb.
It's like a bomb inside the bomb.
It's like a bomb inside the bomb.

It's like a bomb inside the bomb.
It's like a bomb inside the bomb.
It's like a bomb inside the bomb
