Drag Me Down

We Are the Ocean

Drag me down, drag me down to all of this Well I'm reading all the wrong signs we only need more time This is the way will be remembered, this is the way will all en d up I don't need to fell so alone and I'm standing here with my bac k against the wall

With our time to hold while you fade away Cause I don't want to lose you this way So I'll try to hold on for a better day Cause I don't want to lose you this way

We've come this far now with every breathe show you how I've ch anged It's not to late We've come this far now with every breathe show you how I chang e

With our time to hold while you fade away Cause I don't want to lose you this way So I'll try to hold on for a better day Cause I don't want to lose you this way

Drag me down, drag me down to all of this Drag me down to the only thing I got worth keeping I swear I swear it wasn't my fault You dragged me down dragged me down I swear (Drag me down, drag me down) And I swear I swear it wasn't my fault You dragged me down dragged me down I swear I swear I swear it wasn't my fault You dragged me down dragged me to the ground I swear I swear it wasn't my fault You dragged me down dragged me down I swear (Dragged me down dragged me down I swear (Dragged me down dragged me down I swear (Dragged me to the ground) I swear I swear it wasn't my fault You dragged me down dragged me down
