

We Fall Apart

We As Human

The world's on fire but we're all smiling
Though it's all our fault
But life is short so we resort to laughing through it all

It's the battle within the good and the sin
With both sides standing strong
It's the permanent scars
How broken we are
It's the things that hurt us all

But isn't it beautiful
The way we fall apart
It's magical and tragic all the ways we break our hearts

So unpredictable
We're comfortably miserable
We think we're invincible
Completely unbreakable
And maybe we are
Isn't it beautiful
The way we fall apart

You're a liar but I'm a coward so I can't throw a stone
We're so imperfect but so worth it because we're not alone

It's the wars that we wage, the lives that we take
For better or for worse

It's the lion we cage, the love and the rage
That keeps us wanting more

But isn't it beautiful
The way we fall apart
It's magical and tragic all the ways we break our hearts

So unpredictable
We're comfortably miserable
We think we're invincible
Completely unbreakable
And maybe we are
But isn't it beautiful
The way we fall apart

The world is dark but all it takes
Your love to spark
To set my heart on fire once again

But isn't it beautiful
The way we fall apart
Isn't it beautiful
Oh, isn't it wonderful
The way we fall apart
It's magical and tragic all the ways we break our hearts

So unpredictable
We're comfortably miserable
We think we're invincible

Completely unbreakable
And maybe we are
But isn't it beautiful
The way we fall apart

Isn't it beautiful
The way we fall apart
