

# I Can't Make Your Decisions for You

We Came As Romans

I've led a horse to water  
But he turned and ran as soon as I turned my back  
It seems as if the way here  
Wore worse on me than it did on him

I feel like my words have only given way  
To brief intentions but no intent for action  
I've waited, I've asked, I've hoped  
For you to show me I've thought wrong

Prove to me that I've thought wrong  
And it will fill me further than being right  
I wish you'd prove to me that you want to  
Live life as much as I want you to

I swear my hopes are selfless in this  
I only want you to feel whole  
I swear my hopes are selfless in this  
I only want you to feel whole  
But I can't make your decisions for you  
But I can't make your decisions for you

I feel like my words have only given way  
To brief intentions but no intent for action  
I've waited, I've asked  
I've hoped for you to show me I've though wrong

I've led a horse to water  
But he turned and ran as soon as I turned my back  
It seems as if the way here  
Wore worse on me than it did on him

I can't make your decisions for you  
I can only be a guide  
I can't make your decisions for you  
I can only encourage action

I hope that my words have only given way  
To real intentions with pure intent for action  
I've waited, I've asked, I've hoped  
Now show me that I've thought wrong
