

## Piano

## We Have Band

We wanna know  
What it's all about  
We wanna know  
Know now  
We wanna know  
What it's all about  
Does it all add up?  
When we're out of love  
And you're done talking  
And I'm done talking  
Will we find something?  
Will we find something?
