

Blind

We Shot the Moon

Open your eyes
(Just a little more(
Make out red lines(
Leading to the door

And I will rob you blind(
I will rob you blind(
But I don't know, I don't know, I don't know why
I don't know, I don't know, I don't know why

Choking, pounding, (
Sputtering for more
(Broken glasses
Littering the floor

And I will rob you blind(
I will rob you blind(
But I don't know, I don't know, I don't know why
I don't know, I don't know, I don't know why

If there were a string
(I could follow it back,
Follow it back, follow it back
(If I had a dream(
I could follow it back,
Follow it back to you
