

# Don't Speak Liar

We the Kings

Just sit back  
And tell me  
I'm a liar for this  
Don't roll your eyes  
Rewind  
This happens  
Way too many times

So sit back  
And tell me that your  
Tired of this  
I know  
I'll grow up someday  
But it's 2am  
And I'm too high and dry  
And I won't come down soon

So when I come back  
I won't say a word  
I know  
I've said this before  
Don't speak, liar

No we won't talk  
We won't say a word  
I know  
You've heard this before  
Don't speak, liar

Sit back  
And tell me why  
I'm so prone to this  
Do you think I'm fond of  
Getting you and letting you down  
And I'll get mine soon

So when I come back  
I won't say a word  
I know  
I've said this before  
Don't speak, liar

No we won't talk  
We won't say a word  
I know  
You've heard this before  
Don't speak, liar

And if the story ends here  
I can't be surprised to find  
Your eyes are open wide  
And that I have inspired you

And when you come back  
Don't say a word  
I know  
You've said this before

Don't speak, liar

No we won't talk  
We won't say a word  
I know  
We've heard this before  
Don't speak, liar  
Don't speak, liar  
Whoa-oh  
Don't speak, liar
