

Sleep with Me

We the Kings

Hey there, hey, hey someday
Can I wake up with you
Hey there, hey, don't delay
That's the last thing you should do
Won't you take my remedy
I got cheap words and wine
Have a drink, say anything
And I'll sing you a lullaby

So baby, are you in or are you out, now
Tell me if you're lonely in this crowd
I am paying overtime
And you're the only game
In town

Baby, sleep with me
You got my heartbeat beating tonight
Sleep with me
Will I see you when I open my eyes?
Baby, sleep with me
So wake up here in my arms
Sleep with me
I want you to want no one else
Other than me

Hey there, hey, don't hesitate
I've been waiting too long
Hey there, hey, believe in me
Cause all your friends are wrong

So baby, are you in or are you out, now
Tell me if you're lonely in this crowd
I am paying overtime
And you're the only game
In town
(1, 2, 3, 4!)

Sleep with me
You got my heartbeat beating tonight
Sleep with me
Will I see you when I open my eyes?
Baby, sleep with me
So wake up here in my arms
Sleep with me
I want you to want no one else
Other than me

Do you
Even know
How you light the room
I was blinded
But now I see
The only thing I want
Is you and me

Sleep with me
Sleep with me

Sleep with me
You got my heartbeat beating tonight
Sleep with me
Will I see you when I open my eyes?
Baby, sleep with me
So wake up here in my arms
Sleep with me
I want you to want no one else
Other than me
