

# Whoa

## We the Kings

Sleep well  
Tucked tight  
Make sure you hide the night  
This was for the best

Stay out  
Of sight  
Fled the scene of the crime  
To avoid an arrest

We will brawl for the cause  
That's all we've got  
No matter the cost  
We're singing  
Whoa-oh  
Whoa-ah-o  
Whoa-oh  
Whoa-ah-o  
Oh, no, no, no

Beggars and thieves  
Is what we had to be  
Un-invited guests  
Shake this disease  
They'll quarantine this street  
But color me impressed

We will brawl for the cause  
That's all we've got  
No matter the cost  
We're singing  
Whoa-oh  
Whoa-ah-oh  
Whoa-oh  
Whoa-ah-oh  
Whoa-oh  
Whoa-ah-oh  
Oh, no, no, no

Whoa-oh  
Whoa-ah-oh  
Whoa-oh  
Whoa-ah-oh  
Oh, no, no, no

I know we won't get caught  
But if we do  
we'll say we never knew  
This is our chance to lose it

Whoa-oh  
Whoa-ah-oh  
Whoa-oh  
Whoa-ah-oh  
Whoa-oh  
Whoa-ah-oh  
Oh, no

Whoa-oh  
Whoa-ah-oh  
Whoa-oh  
Whoa-ah-oh, no...
