Even Tho'

Webb Pierce

Even tho' you took the sunshine out of my heaven Even tho' you took the twinkle out of my eyes I will always be in love with you my darling Even tho' I sit and wonder if I'm wise

Since the day that you first told me that you love me I have been head over heels in love with you Now you say our little romance has to end dear I walk the floor and wonder what I'll do

Even tho' you took the sunshine out of my heaven Even tho' you took the twinkle out of my eyes I will always be in love with you my darling Even tho' I sit and wonder if I'm wise

There was a time when in my heart I didn't doubt you Now I'm never sure of what you say or do For every time time, I try to put my little arms around you Something tells me that you're not the same old you

Even tho' you took the sunshine out of my heaven Even tho' you took the twinkle out of my eyes I will always be in love with you my darling Even tho' I sit and wonder if I'm wise
