

# Fool Fool Fool

Webb Pierce

Fool, fool, fool  
You know that it's wrong  
But you keep hanging on  
In the game

Fool, fool, fool  
You know it won't be long  
Till you find out she's gone  
And you're lonely again

This time be smart  
And don't leave with your heart  
The way you always do

Listen to me  
And this time you won't be  
A fool, fool, fool  
Fool, fool, fool
