Forgive Me

Webb Pierce

I left you and left you broken-
hearted I left you and now I can't forget
I thought then that I could live without you forgive me and I'l
l make you happy yet
Forgive me for all the pain I caused you forgive me for unkind
words I said
I thought once that I could live without you I'm paying with th
e broken heart instead

I wish I had never made you blue sweetheart I wish I could live
 it over now
I know now that I can't live without you forgive me and I'll ma
ke it up somehow
Forgive me for all the pain
