I Don't Love You Anymore

Webb Pierce

I don't love you anymore not the way I did before And since you've found someone new I think it's best I don't cry and walk the floor I don't love you anymore Trouble is I don't love you any less I held you close to me one time kissed your lips and called you mine Then another came and thrilled you more I guess I cried as you walked out the door I don't love you anymore Trouble is I don't love you any less I don't love you anymore for I've got no more love to give You drained my heart of all its love with every sweet caress I keep saying o'er and o'er I don't love you anymore Trouble is I don't love you any less I don't love you anymore for I've got no more love to give...
