I Haven't Got The Heart

Webb Pierce

If I was free from you my darling
I would start my life a new
We've been tied down, oh so long dear
I no longer can be true

Now I know that I should tell you It would be the thing to do
But I haven't got the heart to say
I'm not in love with you

Just suppose and I should leave you Take another for my own Just suppose that I forsake you Break my vows and leave you alone

Well, I'm ashamed down deep inside That I have ever been untrue But I haven't got the heart to say I'm not in love with you
