

I'm Gonna Fall Out Of Love With You

Webb Pierce

When I fell in love with you
Well, that's what I wanted to do
But if you can't be true
I'm gonna fall out of love with you

Dear, you've cheated and lied
Many long nights I cried
But what good does it do
I'm gonna fall out of love with you

Is that what you want me to do
Fall out of love with you?
A few more days, you don't change your ways
I'm fallin' out of love with you

You're making a fool of me
These things that I just can't see
The best thing for me to do
Is to fall out of love with you

Oh, how I tried to plead
I begged you on my knees
There's nothing left to do
I'm gonna fall out of love with you

Is that what you want me to do
Fall out of love with you?
A few more days, you don't change your ways
I'm fallin' out of love with you
