

I'm Walking The Dog

Webb Pierce

I'm walking the dog and I'm never blue
I'm walking the dog, I ain't thinkin' bout you
I don't need no one to tie me down
I'm walking the dog and I'm paintin' the town

Such an easy life, I never knew
Until the day that I left you
Well, I'm a carefree lad that seen the light
I'm walking the dog all the day and all night

Well, I'm full of strength, I just can't grow old
I got a one track mind so I've been told
But I'm fancy free, I don't worry know how
And I'm walking the dog all the law allow

Such an easy life, I never knew
I can't believe it's really true
Well, I'm a carefree lad that seen the light
And I'm walking the dog all the day and all night
