

# It's Been So Long

Webb Pierce

It's been so long since we said goodbye  
I guess that's the reason why I sit and cry  
I miss you, baby, every day and night  
It's been so long since I held you tight

Everything's different since you went away  
I get so lonely every night and day  
I can't help feeling that you ought to know  
I love you baby and I miss you so

Nothin' ever seems the same  
My sunshine has turned to rain  
Every time I hear your name  
My heart becomes a burnin' flame

It's been so long since we said goodbye  
I guess that's the reason why I sit and cry  
I miss you, baby, every day and night  
It's been so long since I held you tight

It's been so long since we said goodbye  
I guess that's the reason why I sit and cry  
I miss you, baby, every day and night  
It's been so long since I held you tight

Everything's different since you went away
