

More And More

Webb Pierce

More and more, I'm forgetting the past
More and more, I'm living at last

Day by day, I'm losin' my blues
More and more, I'm forgettin' bout you

But oh how hard, I'd tried to keep you by my side
And oh how I cried the day we said goodbye

Day by day, I'm losin' my blues
More and more, I'm forgettin' bout you

But oh how hard, I'd tried to keep you by my side
And oh how I cried the day we said goodbye

Day by day, I'm losin' my blues
More and more, I'm forgettin' bout you

Day by day, I'm losin' my blues
More and more, I'm forgettin' bout you
