

## Smile Of A Clown

Webb Pierce

PAIN, BIG PAIN keeps right on hurting me you left me lonely as  
a boy can be  
I'VE GOT TO smile so it don't show but everybody knows I'm wear  
ing the smile of a clown  
Laugh clown laugh clown I THINK that's what they say oh how lon  
g can I go on this way  
Telling jokes all over town knowing all the while I'm wearing t  
he smile of a clown  
Sure I'm laughin' laughin' to keep from cryin' cryin'  
But I'm just hidin' hidin' the hurt you left my darlin'  
Why oh why must I go on this way you left me lonely only yester  
day  
I look in the mirror dear saw a face and a tear wearing the smi  
le of a clown  
Sure I'm laughin' laughin'...  
I'm wearing the smile of a clown
