

## Too Long

Webb Pierce

Too long you waited too long to come home and your lover don't  
need you anymore  
Too long you waited so long to come home so don't knock upon my  
door anymore  
Well you say you stayed out late swinging on that garden gate  
Too long you waited too long to come home so your lover don't n  
eed you anymore  
Too long you waited too long...  
Oh no no your lover don't need you anymore
