

# Try Me One More Time

Webb Pierce

Yes I know I've been untrue and I have hurt you through and through  
But please have a mercy on this heart of mine  
Take me back and try me one more time  
If my darling you could see just what your leaving done to me  
You'd know that love is still a tie that binds  
Take me back and try me one more time  
In my dreams I see your face it seems there's someone in my place  
But does he know that you were once just mine  
Take me back and try me one more time  
If you'll just forgive me now I'll make it up to you somehow  
I'll promise never again to be unkind take me back and try me one more time
