

You're Not Mine Anymore

Webb Pierce

You're not mine anymore
But I'm still paying for
Just a note from you to say
You've changed your mind
Now I know you say we're through
But I'm still in love with you
And it's my fault
That you're not mine anymore
If you don't ever change your mind
To take me back again
I hope you meet someone that's true
And fall in love with him
Since the day you said we're through
I'm even more in love with you
And it's my fault
That you're not mine anymore

If you don't ever change your mind
To take me back again
I hope you meet someone that's true
And fall in love with him
Since the day you said we're through
I'm even more in love with you
And it's my fault
That you're not mine anymore
