(Oh) Girl give me that
(Oh Oh Oh) Girl give me that
Girl give me that (pussy)
(Oh Oh Oh) Girl give me that
Girl give me that (pussy)
(Oh Oh Oh) Girl give me that there
Girl give me that pussy
(Oh Oh Oh) Girl give me that
You know you want it
Girl don't act like you don't want it
Girl I want it just as bad as you do
And look see I can tell from this lil

Girl I want it just as bad as you do And look see I can tell from this lil vibe You got me feeling that you dig me Boo I'm digging you too You wanna be one of the chosen few Then gon jig up in this motherfucker Maybe me and you can do it big up in this motherfucker Sit you in a crib where you can chill Don't have to move a muscle Give you some be good now you be good Daddy gon hustle Come here let me Whisper in your ear I gotta tell you something Listening to this song kinda make a nigga want something Did some daydreaming Now I'm fiending like I'm on something Girl don't hold it from me Cause right now I'll be don strong on ya I ain't the type to ruin your life By running game and throwing your dreams Get in your brain suit your game Ease your pain and show you things Sit you on some leather seats while blowing green And switching lanes Girl stop playing games let me beat it out the frame

Girl give me that pussy
Girl give me that
Girl give me girl give me that there

She five foot seven a hundred and thirty nine pounds Thirty six twenty four thirty eight pretty fine brown Bad lil broad I ain't seen her in a minute Since the All-Star game and I'm still tryin to hit it Got a baby for this nigga that I used to sell things He caught a fed case and he ain't leave her no change She sold all his jewels she sold all his cars Now she dancing in the shaker club stripping for the stars Sliding down the pole slow drop it to a split Pussy popping on a handstand man she the shit She still looking tight though Still built right though Run my game right and after the club She might go back to the telly with me Shake her jelly with me Let my people bust on her face and her belly with me

I got Lil Webbie with me and he ain't hating We some players in this bitch so baby stop hesitating

Girl give me that pussy
Girl give me that
Girl give me girl give me that there

Now I can tell from your size that that pussy is fire So I'm here and willing to give you whatever it require For you to lay down on your back and then open your thighs Long sharp deep and wide have you rolling your eyes You a big fine horse I had no choice but to try it Look like it's worth a couple g's but ain't some shit I buy Let me whisper in your ear again I ain't gon lie I might share a lil meal just don't tell nobody Look you know you want it Girl don't act like you don't want it Girl you want it just as bad as I do But check this out You gon be wishing that you been gave me your number By the time I finish rumbling with you Wop, Wop get loose, let's take this shit to the room And you just keep yourself excited til we get to the room Cuz I've been rocked up since I met you I'm ready to give you the blues Don't stunt now take off your shoes Don't act confused you know what time it is

Girl give me that pussy Girl give me that Girl give me girl give me that there
