

197666

Wednesday 13

In 197666 I was born a bastard and a son of a bitch
And I'm sick, sick motherfucker sick

In 197666 I nailed a G.I. Joe to a crucifix
And I'm sick, sick motherfucker sick

I don't wanna commit suicide
I just wanna commit a homicide
Oh yeah, that's what I am

76 born a son of a bitch
76 born a son of a bitch
Oh yeah, that's what I am
In 197666 I had a porno mag inside my crib
And I'm sick, sick motherfucker sick

In 197666 I killed an animal rights activist
Because animals ain't got no rights that's right
