

# Prey for Me

Wednesday 13

My brain is rancid, ingesting negativity  
I am a vessel, spewing bile and brutality

The body count is rising up  
There's too much blood, but it's not enough  
And you're the one, one that I've been thinking of  
It's a massacre now giddy up

Now can't you see, you're all just prey for me  
Step up to the butcher's block  
And let's start this crime scene

Prey for me  
Now witness all of the horror  
Prey for me  
You're all just cattle to slaughter

I am infected, diseased and plagued with tragedy  
You'll be my victim, of my darkest depravity

I'm hell bound and so violent  
You're almost dead, but not just yet  
Now I take this razor to your neck  
From ear to ear now, I'll watch you drip

Now can't you see, you're all just prey for me  
Step up to the butcher's block  
And let's start this crime scene

Prey for me  
Now witness all of the horror  
Prey for me  
You're all just cattle to slaughter

No! No!

Prey for me  
Now witness all of the horror  
Prey for me  
You're all just cattle to slaughter  
Prey for me  
Now witness all of the horror  
Prey for me  
You're all just cattle to slaughter

No! No! No!

Prey! Prey! Prey! Prey!
