

## Higher Ground

### Weekend Players

Bless my heart I think about  
Only you  
You can't get much higher ground  
Than you

Bless my heart I think about  
Only you  
You can't get much higher ground  
Than you

Bless my heart I think about  
(Bless my heart I think about)  
Only you  
You can't get much higher ground  
(Bless my heart now I've found you)  
Than you

Bless my heart I think about  
(Bless my heart I think about)  
Only you  
You can't get much higher ground  
(Bless my heart now I've found you)  
Than you

Bless my heart now that I've found you  
Bless my heart now that I've found you  
Up on the higher ground

Bless my heart now that I've found you
