

Bumblebee

Ween

Ahh, shit, ohh shit
Ohh Jesus!

Ahh bumblebee
He stung me, stung me ah
He stung my brain
Aww

Weed eating Vaughn's grass
A big bumblebee came right out
He stung me forty-seven thousand times on my head
It hurt, it hurt, oh god it hurt so badly

Ahh bumblebee stung me
Bumblebee stung me
Bumblebee stung me
Bumblebee stung me
