

Don't Sweat It

Ween

I'd like to see you before I go
There's a few things I'd like to do
And when you're gone, you'll be gone for long
And soon I'll be gone too

But don't sweat it, don't sweat it, don't sweat it, ooh
Don't sweat it, don't sweat it, don't sweat it

Are you happy with the color of your tea
Could you use some sugar now?
You're satisfied with your boy or your girl
Your little butter cup

But don't sweat it, don't sweat it, don't sweat it
Don't sweat it, don't sweat it, don't sweat it.

I'd like to see you before I go
There's a few things I'd like to do
And when you're gone, you'll be gone for long
And soon I'll be gone too

But don't sweat it, don't sweat it, don't sweat it
Don't sweat it, don't sweat it, don't sweat it
