

# I Can't Put My Finger on It

Ween

Is it alive? Does it writhe?  
Can it survive under the sun?

I can't put my finger on it

Is it green? Is it red?  
Is it alive or is it dead?

I can't put my finger on it

Scathe with a lathe  
All the days in the past

I can't put my finger on it

Is it brown? Is it white?  
Is it really out of sight?

I can't put my finger on it

Can it squeal, does it squirm?  
If it's fresh, will it burn?

I can't put my finger on it

Can it fly? Will it try  
If the wings are still wet?

I can't put my finger on it

Can it heal? Is it real?  
Can it feel the threads of time?

I can't put my finger on it

Does it glow, will it shine?  
Does it leave a trail of slime?

I can't put my finger on it

I said, "Are you surprised when I touch the dwarf inside?"  
I said, "Are you surprised when I touch the dwarf inside?"

Are you surprised when I touch the dwarf inside?  
Are you surprised when I touch the dwarf inside?

Is it alive, does it writhe?  
Can it survive under the sun?

I can't put my finger on it

Is it green? Is it red?  
Is it alive or is it dead?

I can't put my finger on it

Scathe with a lathe

All the days in the past

I can't put my finger on it

Is it brown? Is it white?

Is it really out of sight?

I can't put my finger on it
