

## It's Gonna Be a Long Night

Ween

Heard that you are new in town  
Someone said you party down  
Well, later I'll be comin' 'round  
We'll rack 'em up and suck 'em down

Don't call your mother, don't call your priest  
Don't call your doctor, call the police  
You bring the razor blade, I'll bring the speed  
Take off your coat, it's gonna be a long night

There'll be no 2nd chance for you  
Tomorrow you'll be black and blue  
Show your friends your new tattoo  
911 won't help you, fool

You're gonna suffer, you're gonna bleed  
I've heard it all before, you will concede  
I'm takin' everything, you're goin' down  
Lock up the doors, it's gonna be a long night

It's gonna be a long night  
It's gonna be a cat fight  
It's gonna be a gang bang
