It's Gonna Be a Long Night

Ween

Heard that you are new in town Someone said you party down Well, later I'll be comin' 'round We'll rack 'em up and suck 'em down

Don't call your mother, don't call your priest Don't call your doctor, call the police You bring the razor blade, I'll bring the speed Take off your coat, it's gonna be a long night

There'll be no 2nd chance for you Tomorrow you'll be black and blue Show your friends your new tattoo 911 won't help you, fool

You're gonna suffer, you're gonna bleed
I've heard it all before, you will concede
I'm takin' everything, you're goin' down
Lock up the doors, it's gonna be a long night

It's gonna be a long night
It's gonna be a cat fight
It's gonna be a gang bang
