

## Licking the Palm for Guava

Ween

It was a cold, dark night  
No hope in sight  
I left my little hut  
And went to the palm  
To get some guava

Licking the palm for guava  
Licking the palm for guava  
Yes, when you're old and you're not very young  
Lick the palm for guava  
Lick the palm  
When you're old and you're not very young  
Lick the palm for guava
